

# PID Controllers

Advanced PID controllers with universal input for precise control.

**Product family:** Controllers

**Manufacturing:** In-house

**Engineering:** Custom configurations available

## Technical Specifications

| Specification | Details                         |
|---------------|---------------------------------|
| Input         | Universal (T/C, RTD, mV, V, mA) |
| Display       | Dual display, red/green LED     |
| Control       | PID, On/Off                     |
| Output        | Relay, SSR, 4-20 mA             |
| Supply        | 230V/110V AC, 24V DC            |
| Special       | Auto-tuning, flameproof         |
